**TRIALS** - The number of horses in each trial shall be decided by the management. The trials shall be raced under the same conditions as the stakes. The ten (10) fastest qualifiers shall be selected from the trials to participate in the final. If there are more trial races than can be run during one (1) race day, the trial races may be divided and held on separate days. The horses having the five (5) fastest times during the first day of trials and horses having the five (5) fastest times during the second day of trials will qualify for the final. If the front gates on the starting gate fail to open due to a mechanical failure, or if a horse is left behind the gate when the field is dispatched during the running of the trials such horse shall be declared a non-starter and all nominating, sustaining and entry fees shall be refunded from the purse to the owner of said horse. During the running of the final, such horse will be declared a non-starter and shall be classified as a scratched horse and shall be paid last place purse money. In the trials, horses shall be selected on a time basis. Should two or more contestants have the same qualifying time to the limit of the electronic timing device for the final qualifying position or positions, then a draw by random lot shall be conducted as directed by the board of stewards of the host racing facility. Time of horses in the trials will be determined only to the limit of the electrical timer. Should a mechanical failure occur with the electrical timer on any trial, finalist for that trial will be selected by stopwatch. Should a horse be disqualified, he will be given the time of the horse he is immediately placed behind plus 1/10,000 of one second. The decision of the Stewards in all matters shall be final and entries are accepted only on the condition that those persons nominating and/or starting a horse in the trials and/or stakes agree to be bound by their decisions. Preference shall be given to those horses who posted the fastest non-qualifying times, starting with the eleventh fastest time if one day of trials. **DISQUALIFICATION** – *If a qualifier for the final is disqualified due to a positive drug test or other rule violation (exclusive of a multiple bleeder) after the time trials are declared official, but prior to entry for the final, the non-qualifier with the next fastest time shall replace the disqualified horse.* If a qualifier is disqualified after entry for the final for any reason other than racing unsoundness, illness, multiple bleeder or death, the purse shall be redistributed, among the remaining qualifiers, in accordance with the purse distribution percentages.
